OFFICIAL

Hi Mike,

I have reviewed the information you have sent me, including the aerial image of the works area. The proposed pit expansion intersects with ID 5807 (Harvey55/Brunswick Jun.Rd), however ID 5807 has been assessed by the Aboriginal Cultural Materials Committee to NOT meet section 5 of the *Aboriginal Heritage Act 1972*. This means that under State Aboriginal heritage legislation there is no requirements for you to seek approvals for the pit expansion.

If you have any further questions please call.

Regards,
James.
